SEPTEMBER 17-18, 2018 | UC DAVIS CONFERENCE CENTER

SPONSORSHIP OPPORTUNITIES

The 2018 International Research Conference at UC Davis, *Innovation Within Changing Political and Research Environments*, is a two-day conference hosted by UC Davis Global Affairs that will focus on the:

- » Changing political environments and related impact on international research
- » Increasing importance of networks and consortia in advancing international research
- » Role of interdisciplinary or transdisciplinary research in solving global challenges
- » Importance of educating the next generation of international researchers

The rapidly changing environments in which international research is conducted calls for new strategies and practices—ones that are collaborative, transnational, interdisciplinary, and address global challenges.

Being a sponsor of the 2018 International Research Conference at UC Davis presents organizations with the opportunity to partner with one of the best public universities in the United States and gain exposure with numerous senior-level researchers, academic administrators and industry leaders from all over the world.

Thank you for considering being a sponsor of the 2018 International Research Conference at UC Davis.
